CHAIRMAN MESSAGE

Dear Shareholders

It gives me immense pleasure to present the Annual Report of 2014-15 of Junction Fabrics and Apparels Limited. Your company was able to perform well amidst weak macro-economic factors.

During 2014, the Indian economy continued to witness sluggish growth on the backdrop of a weak global scenario. High inflation and interest rates proved to be challenges for the core sectors. India's economy is in the midst of a recovery with lower fiscal and current account deficit and weak commodity prices. Our country's growth seems poised to return to a high-growth path. The election of the new government, however, added some cheer to the economic sentiment in hopes of better future for India.

There were some interesting developments during the year. A new government at the start of the fiscal led to renewed hope and optimism for economic growth. The government's 'Make in India' initiative promises to make India a global manufacturing hub. Our Hon. Prime Minister emphasizes on Zero Defect & Zero Effect Industries and ours is one such industry where there is no native environmental impact i.e Zero Effect. With Continuous R&D and implementation of International Standards Methods we are heading ahead for Zero Defect Principle with highest quality and a diverse range of products and seek to become the preferred brand for Cotton/Woven Inner and Outer Garments with high care.

It is in this context that Company continues its quest for sustained growth. I am pleased to inform you that Company achieved its highest ever standalone gross income of Rs. 162.90 Lakhs with a growth of 44.27% in comparison to previous year i.e 2013-14. Also the Company achieved its highest ever consolidated net profit before tax and net profit after tax Rs.23.71 Lakhs and Rs.15.88 Lakhs respectively, with a growth of 30.34% and 37.25% respectively in comparison to previous year i.e 2013-14 Our focus in the year was on transformation of the Company to achieve growth in revenue and profitability as well as to rightly position the Company in the future. The successful listing from BSE Limited SME Platform will become the new start point and milestone in the development of the Company,

which will also provide wider development platform and more opportunities to the Company. The Company will still undertake the mission for promoting the India's textile industry by pursuing the business idea of "Save Trees", company will create larger value for its stock holder, client and staff with its continuous efforts, moreover contribute more strength to the development of the national industry.

Let me take this opportunity to thank, our entire staff, Knitting communities, Dyeing & Bleaching Industries, and Printing Industries Fabric suppliers across the country and our stakeholders, for their unflinching dedication, commitment and contribution over the past many years.
